### **A Word from The Pastor**

## **Dear Friends in Christ,**

### **PICTURE DIRECTORY**

If you were unable to be here to have your picture taken, you can submit a picture. Please make sure it is a vertical pose, preferably with a plain background. Pictures can be submitted electronically or as printed pictures. Please submit them by February 16.

### **SIGN UP FOR CAMP!**

Lutheran Island Camp Sunday will be February 23. LIC Program Director Olivia Leising will be with us that day to give us an update on camp and answer questions about summer camps or camp in general. Camp brochures are available at the narthex counter for anyone who didn't receive one in the mail. Our endowment fund will be providing each child a campership of \$300 for a weeklong camp and \$125 for a weekend camp. You can go to [islandcamp.org](http://islandcamp.org) for more information about the summer camps and to register.

### **SUPERBOWL SUBS**

Orders for ACT subs are due February 2. Subs can be picked up February 8 from 11-12 and after Saturday and Sunday services. They may also have extras to sell after services. If you'd like to be part of a sub making assembly line, come Feb 7 anytime from 3:15-7 PM. It's a fun time. You get to make your own free sub for supper!

### **SINGLES SHARE AND CARE**

We are trying something new. All singles are invited to Immanuel on Friday, February 14 from noon to 2 PM for a soup & sandwich meal, devotion by Pastor Lee and fellowship time. Talk to Cheryl Scott, Jurlienne Riedel or Joyce Malmgren if you have questions.

### **PASTOR SCHLAMANN VISIT**

Pastor Mark & Tanya Schlamann will be at Immanuel February 15-16 for our services. We will celebrate his 25<sup>th</sup> anniversary of his vicarage at Immanuel as well the the 120<sup>th</sup> anniversary of our congregation. There will be time to visit and share after the Sunday service. We will follow that with a potluck dinner. Last names A-I bring dessert, J-P salad and Q-Z main dish. The Schlamanns hope to be in the area for a couple days before the weekend, so if you'd like more time to visit with them, contact them or let me know.

### **DISTRICT CONVENTION**

Our MN North District Convention will be February 23-25 in Grand Rapids, Minnesota. Gene Ward and I will attend as our congregation's voting delegates. Vicar Joe will also attend. Please keep us and the convention in your prayers.

### **ST PAUL HIGH SCHOOL, MO, CHOIR**

We are privileged to host the St Paul Lutheran High School Choir from Concordia, Missouri, on Sunday, March 2 as part of their spring tour. St Paul is the only residential high school in our synod. One of the choir members is Pres. Brady Finner's daughter. They will sing during our morning service. They will lead a time of sharing and questions during coffee. We will join with them in a meal before they depart. They will also present a concert on March 1 at 6:30 PM at Good Shepherd in Alexandria. We will help house the choir Saturday night along with Good Shepherd. If you are interested in housing a couple students, let me know.

### **LENT**

Ash Wednesday is March 5. Our Lenten services will be at 7 PM with soup suppers at 6 PM. I don't know what our sermon series will be yet. (Good thing Lent is later this year!) But it is one of the most holy times of the year. Set aside the Wednesdays of Lent for time in God's House.

### **TRUSTEE PROJECTS**

We have approved painting of the outside of the old church and the education building this summer. The trustees are also looking at a new railing on the west side of the church after the street renovations and new sidewalks. ## From Vicar Joe's Desk (February 2025)

### The Previous Month:

- With Advent, Christmas, and the New Year behind me I can reflect on those things that brought me joy. The New Year also means that there were a lot of goings on and it still continues on.
- Confirmation classes started back up at both Trinity and Immanuel Lutheran Churches.
- ACT Lock-In was a fun experience. I walked away only slightly sleep deprived, but it was worth it to see all of those that participated having fun together. It is also a relief that the youth get along as well as they do.

### The Current Month:

- A New Member Class started and it is a new way of teaching the Beliefs, Teachings, and Confessions to adults here at Immanuel Lutheran Church. It is great to see how Pastor Lee goes about this and how each person in the class adds a different perspective and life experiences to the class.
- The Greek Language Lab is back in full swing for me, and I do my best to keep up with those assignments as time gets seemingly tighter and there is less free time for me. I also have to find out what additional paperwork I need to do for Vicarage and have sent in to the seminary.

### Looking Forward:

- Call Day on April 23 is the date that I am looking forward to. There is a nervousness that precedes this process, and a time of anticipation as I wait for that day and for my name to be called.
- National Youth Gathering and ACT activities are still happening and it is fun to see the group coming together for a common goal and event. I am a little worried about traveling with so many youth but I am glad to be guided by those with more experience than myself.
- Lent and Easter are coming up quickly and I hope for some warmer weather than we have had. I am also ecstatic to see more greenery as it Easter also means that it is officially Spring time in the Northern Hemisphere.

### Bible Verse of the Month:

“Trust in the Lord with all your heart and lean not on your own understanding; in all your ways submit to him, and he will make your paths straight.” - Proverbs 3:5-6

God Bless  
Vicar Joe Bates

### ERC Remodel Update

We're excited to share the latest progress on the ERC remodel! There has been a lot of activity on the Island and things change almost daily. Significant milestones have been reached, including the completion of demolition and the completion of underground electrical and plumbing work. Ongoing work includes miscellaneous framing and the application of Zip-Wall sheathing in preparation for the new exterior siding and windows.

#### **What's Next?**

In the next two weeks, we anticipate:

- Pouring back plumbing trenches.
- Framing kitchen walls, stairs, and the new addition.
- Starting kitchen rough-ins.
- Continuing Zip-Wall sheathing installation.

We look forward to sharing this exciting, updated new space this summer. If you want to participate in this work, we are still seeking donations to help update furniture and fixtures, including new mattresses. Thank you for all the ways you support the ministry of Lutheran Island Camp!

# JACY ROSTE NEWS

All that God did in 2024!

Hello friends and family, happy 2025! As we have wrapped up another year, I want to send an update sharing with you all that God did in this last year. Below are some statistics from the campus that I work with as well as some testimonies in my own life. For the safety of campus and missionaries on the field, I ask that you **do not publicly share this information**. Here are our campus' end of the year statistics.

- 31 NEW campus staff, we are now 142 in Colorado Springs.
- 13 NEW field staff and 2 kids sent to the nations long-term.
- 120 adult workers and 84 kids serving on the field.
- 27 Nations with long-term works.
- First field worker retreat ran in a certain former Soviet Union country for our field staff serving in that part of the world.
- First DTS (Discipleship Training School) ever ran in a certain Muslim country as well as School of Missions.
- 825 people reached through five mobilization events.
- 965 People heard the gospel this year through our DTS programs.
- DTS students prayed for 2000 people.
- 171 Students equipped through our DTS and secondary schools this year.
- DTS OR team locations this year are in 9 countries in Asia, Africa, Europe and the Middle East.

**YOU have been a part of making this happen!** I have had the honor of being a part of many of these things but only because of the prayer and financial support that you give. Here is what I have been apart of through your support.

- 8 students that I lead have now joined staff with Youth with a mission.
- 4 students that I lead have moved to the nations as long term missionaries.
- I did child care for all kids at the field worker's retreat in a certain former Soviet union country.
- I lead the first outreach from our campus in a certain Muslim country and helped a family move there long term.
- In April I started leading our admissions department that every student comes through to be able to take a Discipleship Training School.

- I am leading our student recruitment team that works to engage and mobilize new students.
- Throughout the year I taught a variety of topics within each school that ran on our campus.
- In two different schools, I taught and lead classes in the gym to physically equip students to go on outreaches.
- I was a part of debriefing individuals and teams both in Colorado and the nations.

Here is a **testimony** from a former student. She voluntarily sent this to me awhile back and I thought it would be helpful for you to see some **direct impact that you have had**.

“Hello support team! I am an older student of Jacy and I wanted to share how God used her to radically change the trajectory of my life. First I want to say the only reason Jacy can love people well is because it’s out of the overflow of your generosity, prayers and love. Jacy was my outreach leader and intentionally invested in me by asking hard questions, making space for hearing the Lord and challenging my decisions. Since my outreach 2 years ago, I have moved overseas to the Middle East and I am currently investing in the nations. Why I share this is because Jacy was a fundamental part of encouraging me to be obedient to live out God’s call on my life. I am a living fruit from your labor! As you have enabled Jacy to pour into the youth, these youth are going out and ushering in more. This is the impact of multiplication! God truly used you in my life and I wanted to share the glory of what God is doing in the nations when the body of Christ works together to build His Kingdom!”

To wrap up, here are some things God has done in my personal life.

- Given me direction as well as results in my physical health.
- Through others generosity and financial stewardship, I have been able to pay off the majority of my student loans.
- Gave me opportunity to further my understanding of the Bible through starting an online Bible school.
- Blessed me with an amazing boyfriend who loves Jesus first and loves me so well!

That is it for now. Again, thank you!

## PRAYER REQUESTS

- My role. Training new staff and building new systems
- Finances. Grace and patience in bringing my support back up from much loss in this last year.
- SBS. Intentionality in prioritizing time to study the Bible.
