September 2024

A Word from The Pastor

Dear Friends in Christ,

BLOCK PARTY

Our Block Party is coming up on September 29. Save the date. It begins with worship at 10 AM. Cheesy shredded chicken sandwiches, brats and hotdogs, salads and ice cream sundaes are on the menu. Kurt Weber, son of Pastor Karl Weber of Ottertail and Ash St. John will provide music. Be thinking about who you could invite to our Block Party! If you are interested in helping, come to our planning meeting on September 19 at 7 PM. We'll also need bars, kitchen workers and games volunteers on the day of the event.

SUNDAY SCHOOL

Sunday School will begin September 8 at 10:30 AM. This is for all children age 3 through 6th grade. If you are interested in being a helper or sub, contact Dedra Zwieg. If you know of someone who might be interested in Sunday School pick up a flyer or have them sign up on the church website.

CONFIRMATION

Our new year of confirmation instruction will begin Wednesday, September 4, with meetings for students and parents. 6th grade and parents will have an informational meeting at 6:15 PM with Pastor Lee. Regular classes will begin September 11 from 3:30-5:00 PM. 7th & 8th graders and parents will meet with Pastor Lee and Vicar Joe at 7 PM on September 4. Class time will be determined at the meeting, most likely from 6-7:30 PM. If you know of any children interested in confirmation, even if they are older than 8th grade, please let me know or invite them to the meeting.

WOMENS BIBLE STUDY

A Bible Study for women will begin September 9 at 6 PM. This Monday class will meet in the education building. Peggy Winter is the class leader.

ACT NIGHTS

Wednesday ACT Nights for grades 9-12 will begin September 18. We will have an activity time at 6:30 PM and food, business and topic at 7:30 PM. Plan to come! Friends are welcome!

YOUTH GATHERING

The LCMS Youth Gathering, held every three years, is July 19-23, 2025 in New Orleans. Registration is due by October 20. We will have an information meeting for 9-12 graders and parents on September 22 at 6 PM. The youth gathering is a once in a high school career opportunity for our youth to be with 20,000 other LCMS youth. Some of the best teachers, speakers and musicians in our church are involved in the youth gathering. Immanuel youth have been attending these gatherings for over 40 years. I encourage all 9-12 graders and parents to attend the meeting on September 22 and find out more about this experience. Registration deadline is October 20.

3RD GRADE BIBLE NIGHT

We will be giving Bibles to our 3rd graders and any older children who have not received a Bible yet. We will have a Bible exploration night for 3rd graders and parents on Tuesday, September 24, from 6:30-7:30 PM. Bibles will be presented during worship on September 29.

PRESIDENT FINNERN TO VISIT

Our District President, Rev Brady Finnern, is seeking to visit as many congregations as possible during his three year term as president. Visiting congregations is one of the primary responsibilities of district presidents that is laid out in our synod by-laws. Pres. Finnern will be with us on October 6. This will be a great opportunity to get to know him, give input and ask any questions. It is also a great opportunity for him to get to know Immanuel better.

FINANCIAL UPDATE

God's Blessings,

Pastor Kirk Lee

From Vicar Joe's Desk (Sept. 2024 Update)

The Previous Month:

- Thank You All for the warm welcome, love, and support that I have experienced over the past month. From the initial meetings and moving in, to all of the first days that I have had over the past month...I have always felt welcomed.
- There have been some interesting surprises starting from Day One, and they continue to happen. Everything from meeting all of the new people in the area including: an LWML meeting at Pastor Winter's house, meeting the Lind's and many other people that live and work in the area, and even helping during the Rodeo and Fall Festival in Parkers Prairie.
- Unpacking has started, and yet I still have so much more to do and it is now a question of if I will really need the items or not in the next year.

The Current Month:

- I am excited for cooler weather and hopefully more time that I can spend outside.
- Other interesting things will be the opportunity to help in teaching 7th grade students in Confirmation on Wednesday nights in Parkers Prairie.
- Sometime during the month of September I plan on starting all of the paperwork for the Seminary Side of Vicarage, including brainstorming a few ideas for some community and church projects. If anyone has any questions or ideas please feel free to let me know because I am drawing a blank on what I could possibly do.

Looking Forward:

- Fridays will be my day set aside for Office Hours at Trinity in Carlos, and/or my floating day off. I will work on how to identify that I am in my office, and if you have any ideas please let me know how I can be helpful in showing that I am in the office and/or available.
- I will be starting to do the required Greek Language Labs, I am excited, nervous, and frustrated with having to do these. Excited because I get to hear some familiar voices, and nervous because of having to do a language class both remotely and online. A little frustrated because of having to do them, which takes away time from the regular church work that is the primary focus of being on Vicarage.
- I am looking forward to celebrating Thanksgiving, Advent, Christmas, New Years, Lent, and Easter.

Bible Verse for September 2024:

"I can do all things through him who strengthens me." -Philippians 4:13

September- October USHERING SCHEDULE

Following is the schedule for the next two months for ushering, greeting, and acolyting. Greeters will also help with the offering. A post card will be sent to you about 10 days ahead to remind you.

If you cannot serve on your assigned time, please try to find someone to take your place. If that doesn't work, call Arvid Hoppe, 320-766-3904 or Byron Herdman, 701-371-5139 the co-head ushers, if you are scheduled for Sunday or midweek; or the church office, if you are scheduled for Saturday.

In order for these activities to work smoothly please be at church 30 minutes ahead of the beginning of service. Arvid or Byron will explain the procedure to you for Sundays and midweek services, Pastor for Saturdays. Thank you!

September 20th-22nd: Adventurer's Horse Camp

Introducing the second of our fall horse camp programs! This camp is for 7-8 graders to spend quality time riding and learning about caring for horses.

September 26th-28th: Church Worker's Wives Retreat

The wives of your called and retired church workers (pastors, teachers, vicars, DCEs and DCOs) are holding their annual retreat at Lutheran Island Camp. The theme is "Singing the Faith." We are also planning devotion time, singing time, and a speaker this year. Christina Joy Roberts, Kantor at Our Savior Lutheran Church and School, will join us to share "Glad Hymns Forever!"

For more details about these upcoming events visit our website at islandcamp.org

Director's Desk

What an incredible summer it has been! We welcomed over 1,000 campers across the causeway, each one bringing their energy, wonder, and faith to the Island. It's truly inspiring to see how God is working in the lives of so many young people.

A huge thank you goes out to our amazing summer staff. Their dedication, love, and passion for sharing the I am statements of Jesus made all the difference. Each day, they poured into the lives of our campers, helping them grow in their faith and understanding of who Jesus is.

As we look forward, we're excited to announce the start of our ERC (Education and Retreat Center) remodel project. Construction will begin right after Labor Day, marking the beginning of a new chapter for our camp. This project will enhance our facilities, allowing us to better serve our campers and retreat guests for years to come.

Even with the construction underway, we remain committed to providing meaningful experiences this fall. We'll still be hosting our confirmation retreats and outdoor education programs. The sights and sounds of building won't deter us from our mission of nurturing faith and community! As we step into this next season, we ask for your continued prayers and support. Whether it's through volunteering, financial contributions, or simply spreading the word about the exciting things happening here, your involvement makes a difference.

Thank you for being a part of the Lutheran Island Camp family. We can't wait to see how God continues to bless this ministry in the coming months.

In Christ,
Stacy Lung
Executive Director

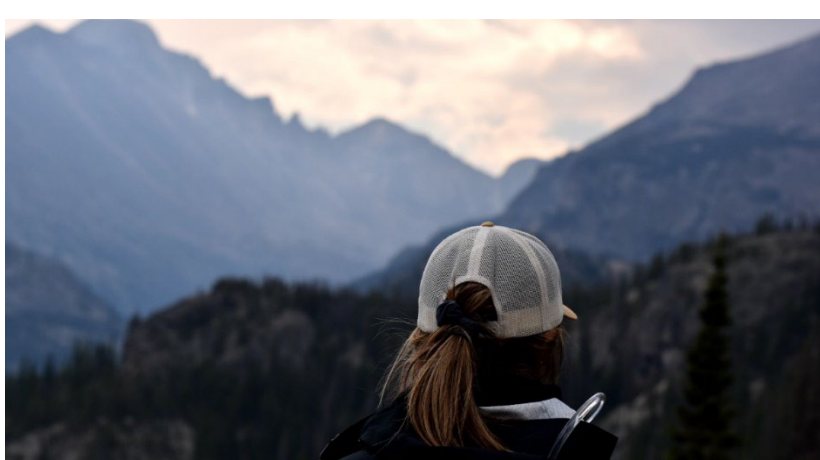

Quilt Auction numbers are in!

We are excited to announce that the Quilt Auction (both the Live and Online Auctions) brought in over \$29,000 this year! Thank you to everyone who purchased quilts.

A BIG thank you goes out to the volunteers on the Quilt Auction Committee that make the event possible. We couldn't do it without you!

August Update

Summer in the Office

Hello friends and family! It is crazy to see summer coming to an end. At the same time, it is so fun to reflect on all that God has done. I am honored to do the work that I do. Thank you for partnering with me! This summer has increased my faith and passion for seeing the least-reached come to know Jesus, and all this has happened here in the States, mostly from an office.

PAST

This summer, I have been continuing in the position of leading our admissions department, a commitment that I made in the spring for at least the next three years. Seeing what God has done in this department over the last few months excites me for what the next few years hold. During the summer, I went home and spent quality time with my family. It was a blessing to be a part of my sister's wedding and invest in relationships back in Minnesota.

PRESENT

Alongside admissions, I have connected with the Discipleship Training School by coaching the students in the gym. Coaching is something I am very passionate about. I love using fitness to disciple, speaking truth into their lives, and bringing Biblical perspective into fitness and body image. I also started coaching online fitness classes for missionaries overseas. These classes have been a fun way to partner with the nations and encourage other missionaries' stewardship of their bodies.

FUTURE

Our campus here in Colorado Springs runs by a quarterly calendar. In the middle of September, we will start our fall quarter, meaning a new staff group in admissions and a new DTS running on our campus. This transition is an exciting time but comes with many changes. I am also looking forward to going to the Philippines for a national gathering of YWAM in the first week of September. This event will be the first global gathering since COVID and the passing of our founder (Loren Cunningham).

Finances

Living off of support is one of the hardest yet most rewarding parts of my job. It is a beautiful representation of God's design for the body of Christ as I get to partner with others and practice dependency on God. It also comes with hardships and frustrations, not always knowing how God will provide for the next step. This last week, I lost about 18% of my monthly support. Losing that much of your paycheck could influence people to quit their jobs, but I know that is not an option. Please be praying for strength, grace, and patience in moving forward!

PRAYER REQUESTS

- My role. Continuing to dream and not settle for what is.
- Finances. Grace and patience in bringing my support back up.
- SBS. Intentionality in prioritizing time to study the Bible.
- Long Term. Trust in God's plan and timing.

Aviation Training Experiences

Nathan and Sarah Federwitz

July

2024

Vol 2 no 4

Pre-Field Orientation Fun

Now that we have been back “home” in North Carolina for a few weeks, we have been able to resettle into our life at JAARS. For Nathan this means working in the JAARS Aviation Department. We have had some fun aviation-related opportunities recently that we want to share with you.

During the spring, JAARS conducts a “Pre-Field Orientation” (PFO) for pilots and mechanics. The orientees receive instruction from the experienced missionaries who work in the JAARS training department. Even though Nathan is not participating in PFO this year, he is helping where he can. The goal of PFO is to prepare the orientees to be able to operate in challenging environments on the mission field. The culmination of this training is a ten-day-long Mountain Week. Prior to that event JAARS puts on a “production cross country”, which is a simulation of a regular day of being a missionary pilot. The pilots transport passengers and their cargo to various runways and locations, dropping off the passengers they were carrying and picking up more. We were able to assist with this day as passengers.

Getting dropped off with our cargo at a “remote” location during Production Cross-Country Day.

To simulate a challenge these pilots might face, we showed up with Enoch without warning the pilot that we were bringing our son. In many countries, a baby is considered part of the mother, and it would be assumed that where Sarah went, Enoch went as well. This was tricky for the pilot as JAARS does not allow trainees to fly with minors, so he had to break the

news to us and we “had to figure out something to do with him.” Obviously, this was all for simulation for the pilot, so we had already scheduled a babysitter.

JAARS 2024 Mountain Week Staff and Orientees

The week after the cross country event was the beginning of Mountain Week. Nathan was asked to attend this trip to serve as part of the “ground crew.” He helped to prepare, check, and maintain the airplanes and runways. Precise flying is important on these more difficult mountain runways, so as ground crew, he would communicate with the pilots as they were flying, letting them know their take-off and landing performance numbers.

The goal is for Nathan to fly in orientation next year to get these experiences in the pilot’s seat. However, it has been a great experience for him to see things from a different perspective than orientees usually see. It will be helpful for him to have the perspective of a passenger as they are flown with their cargo. Nathan will also benefit from working on ground crew because he learned what the runways and terrain are like, and how it is beneficial to have good communication with those on the ground. All of these experiences will help him be a better pilot.

Nathan during Mountain Week helping to service the aircraft at a grass strip with some of the orientees.

Nathan's Solo Flight

Despite the fact that most of the instructors at JAARS are busy this time of year, they were able to carve out a little time for Nathan to continue his flight training. He has been working towards flying his first solo flight in a Cessna 206. This milestone was not like his first solo at SMAT with only 12 hours of training. This solo privilege is granted to a JAARS trainee when they can demonstrate the capability of landing on a 1200 ft, 2% sloped grass runway here at JAARS. On June 15th he soloed in the C206 for the very first time on that short grass runway! Enoch and Sarah were able to watch him fly, although Enoch could not quite stay awake until the end of Nathan's flight.

Sarah and Enoch came to congratulate Nathan after his solo.

Aside from flying, Nathan has been busy assisting with various other happenings at JAARS lately. We mentioned in our last letter that Nathan would be helping with MATA (Mission at the Airport) events throughout the summer. At these events, JAARS brings airplanes and helicopters to a small airport and offers rides. They also share about the work of mission aviation and JAARS. Nathan has helped with one event so far, but will continue to work at these events through September. His role was to help get passengers on and off of the helicopter all day. MATAs are great opportunities to share the work of missionary aviation with people who may never have heard of it before.

Nathan and the crew he worked with at the MATA.

Upcoming Trips and Events

During July our family will be busy traveling once again. First, we will be attending an event in Missouri with all Lutheran Bible Translators' missionaries and staff for their 60th anniversary. Afterwards, we will vacation with some of Sarah's family. Starting July 20th, Nathan along with a number of JAARS staff including his family, will be working at the JAARS booth for the Oshkosh Airshow. Later in the summer, Sarah will begin her first linguistics class! Nathan will be training to fly with passengers unassisted.

We are already planning our next speaking trip in October and November. Please reach out to us if you would be interested in inviting our family to visit or give a presentation on our work with Lutheran Bible Translators and JAARS. We have a number of Sundays available as well as midweek opportunities.

Let us run with endurance the race that is set before us, looking to Jesus, the founder and perfecter of our faith.
Hebrews 12:1-2

PRAYER REQUESTS

- Praise for a successful Pre-field Orientation class and pray that their transition to the mission field is smooth.
- Praise that Nathan was able to complete his first solo flight at JAARS.
- Pray for our family as we travel throughout the month of July.
- Pray for fruitful conversations and refreshing time with our LBT coworkers as we will be seeing many of them in July.
